

I'D LIKE TO VOLUNTEER FOR THE IMAGINATION LIBRARY OF GRANT COUNTY!

OUR MISSION: *To promote reading readiness and language proficiency for all Grant County and Glenwood Area preschool children by delivering books to their homes monthly thereby giving them the foundation for future learning success.*

OUR VISION: *All pre-school children in Grant County and zip 88039 will arrive at Kindergarten's door ready and able to succeed!*

ONE PARENT'S COMMENT: *"I don't know how much my child would be loving books if it wasn't for this program. Now he is more interested in books than ever before. The books to him are just like the television except reading is a lot healthier for him than the TV."*
